The Luckiest Place on Earth - panel 1 - No. J015

Toby with lucky mascot and cat.  
Daniel with lucky seagull and crossed fingers.  
Linda with lucky touch wood and four leaf clover.  
Fran with lucky horseshoe and wishbone.

The Luckiest Place of Earth - 3D printed images of four lucky local residents representing age groups 0-19 years old, 21-40, 41-60 and 60+ years old. Each person is holding gold leafed symbols of good luck suggested by over 650 local people, including a cat, crossed fingers, four leaf clover and horseshoe. Each icon is painted in one of four lucky colours suggested by participants.
