**40% more cyclist on Lea Bridge Road - equals 14% of all traffic** (survey, Dec.16 compared to Jan.17)

**“Given that most parents walk their children to school, these plans are great. The routes to and from Sybourn will be much improved and the whole area will be a more pleasant place to live, shop and walk.”** Commonplace online consultation, 2015

**“I currently avoid cycling and walking on this stretch of road-this will be a lot safer and more pleasant and I am more likely to use local businesses if this goes ahead.”** Commonplace online consultation, 2015
