Park «Shovkovichny» – rethinking of the concept of Slovyansk central park (Donetsk region). «Shovkovichny» – is the historical name of the park, which the community returned through voting.

The brand, graphical design, master plan have been developed. The citizens were attracted and encouraged to take part in the park renovation. It was achieved by the “Friends’ Club”, which was established for the first time in Ukraine.

ШОВКОВИЧНИЙ
парк культури і відпочинку
