K303
BUHOVO MONASTERY
OF SAINT MARY MAGDALENE

Authors: Atelier 3
Location: Buhovo, Bulgaria
Year: 2016

The Buhovo Monastery is a public space of particular importance for the local community. Recent archaeological discoveries set new challenges for the life of the site. Thanks to the inclusive approach that actively involved the different stakeholders, and the comprehensive architectural design, the place preserved its traditional use and social meaning.
