

How to visit MAUA

Visiting MAUA is simple. All you have to do is: consult the map of the 50 works of street art selected by the residents of the respective neighbourhoods.

The **full map** is available at streetartfactory.eu, on the Bepart app or in the printed MAUA catalogue which you can pick up for free at BASE, at the City Council infopoint and in bookshops;

Select one or more works, build your route and **start the tour**;

Once you arrive at the site, open the **Bepart app** and hold your phone up to view the piece and see it come to life as a work of digital art.
