

MEMORIAL 22/03, BRUSSELS

We were selected by the Brussels Government to create a memorial in commemoration of the victims of the terrorist attacks in Brussels on March 22nd of 2016. We felt that it would be most appropriate to offer an intimate and protected place, where victims and their relatives could find a moment of calmness and contemplation.

The Sonian forest adjacent to the city centre, with its untouched forest

floor, appeared to us as the right location.

After extensively exploring the forest, we found a natural clearing on top of a hill, and surrounded by majestic beech trees.

A tree has been planted for every victim who had lost their life; thirty-two in total.
