

ROTTERDAM CONNECTED CITY

CITY CENTRE MASTERPLAN & WESTERKADE, THE NETHERLANDS

OKRA LANDSCAPE ARCHITECTS | DS+V | PEIT OUDOLF

Before-weterkade

After-westerkade

Start Tour de france 2010

FINALS

An external space in the centre, with improved visual and functional quality, embodying spots of tranquillity and/or vegetation, with an international allure, will make the city centre even more desirable than it is now as a place for dwelling, working and going out.
