

BAANA - PEDESTRIAN AND BICYCLE CORRIDOR, Helsinki Finland

The old railway canyon 2008 - situation before

At the western end the canyon opens and matches the level of the surrounding city.  
Photos: Helsinki city planning department

Baana 2013 - situation after

The strong colours used in the activity areas suggest train wagons and shipping containers. Artist Janne Siltanen created works of art for Baana. Photos: Krista Muurinen

The western end: Länsilinkki. Photo: Suomen ilmakuva Oy
