# No Limit

**STREET ART BORÅS SWEDEN 3–6th OF SEPTEMBER 2015**

Alfred Nobel by Eduardo Kobra – Sandwalls Plats
The mural by brasilian artist Eduardo Kobra stretches over two facades of Sandwalls Plats by the river Viskan. A monumental scenery of the well known Swede Alfred Nobel covering approximately 300 sqm. The sparkling and vibrant colours really makes the little square and this part of town lively. Perhaps this is the most photographed spot in the city of Borås.
