

*"We unveiled a fantastic new development behind King's Cross - in an area that for most of our lives was a post-apocalyptic haunt of prostitutes and junkies, and that now hums with life", quote by Boris Johnson, Mayor of London*

*"This is one of the most wonderful things that has happened to London since I've been here, It's very generous and expansive; they've really made a brilliant architectural statement by leaving it wide and open, very child-friendly and interactive". Yotam Ottolenghi, British chef & cookery writer*

*Hey London! Did you hear that #KingsCross is cool now?", Condé Nast Traveller*

*The best thing in London are free as a toddler splish in #GranarySquare 1080 dancing fountains @kingscrossN1C*

*"Camden Council worked with Argent to ensure that King's Cross Central would be designed and managed to be accessible and integrated with the surrounding area through the creation of public routes and spaces through the site. Granary Square exemplifies this, and is used and loved by the whole range of diverse communities that surround King's Cross and visit the area". Rachel Stopard, Deputy Chief Executive (Transformation & Partnerships), London Borough of Camden*
