THE TWO MOST "POPULAR SITES" TO URINATE AROUND PIAZZA VERDI / UNIVERSITY AREA

> Portion of the oldest University in the western world. Located in a historic center of a great value.
Here there is a serious hygiene and health problem: urine in the streets!

THE REASONS OF THE PROBLEM: YOUNG PEOPLE AND STUDENTS HAVE NO PLACES TO URINATE

> From the afternoon until the night boys mostly drink beer in Piazza Verdi.
Soon the beer becomes urine and young people will look for the closest and reserved place.
